Thursday - January 18th

10:00 p.m. - Late Night Pancakes

A Note from Greg Northcutt....

It's hard to believe it is 2018 and a new year has begun. But begun it has and we anticipate with excitement the year that lies ahead. Last Sunday night we had a great start to the church calendar year with our church committee chairs, and we look forward to our Committee Launch on Sunday night January 21st. As Pastor Jacob mentioned Sunday night, some churches have gone to teams rather than committees in order to get away from the stigma of committees, but they function in much the same way. Committees or ministry teams provide ministry to the church. The first committee of the church was a reactionary committee. In Acts 6 we read of a committee being formed to care for the needs of the widows after complaints arose because the widows were being overlooked in the daily distribution of food. Because of the ministry of the seven committee members selected, Acts 6:7 says "And the word of God kept on spreading and the

number of the disciples continued to increase greatly in Jerusalem" Rather than being reactionary in our approach to ministries of the church we want to be pro-active, actively seeking ways to get better and improve our ministry in the community that the number of disciples would greatly increase in Plainview.

If you serve on a committee, first let me say thank you. Your leadership is an invaluable part of our church success; without you many of our ministries would cease to exist. Second, let me encourage you to be here for our Committee Launch ready to serve and open to the possibilities that lie ahead for 2018. Finally, if you are not on a committee but want to serve, you can still be involved with the many ministries of the church. Please let us know how you would like to serve so that we can get you plugged in to one of our many ongoing ministry opportunities. Thank you for serving with us. I look forward to an amazing 2018 full of ministry to the community of Plainview. God bless.
