

Connections Pastor Announcement

I am pleased to announce a recent vote of the church during Sunday's church conference on February 25th. At the recommendation of the Personnel Committee, members in attendance voted unanimously to name Bro. Greg Northcutt as our first Connections Pastor.

Bro. Greg has served First Baptist Plainview and the Wayland campus as Minister to University Students since August 15, 2011. Greg and his wife Camille, along with his two children, Caroline and Carson, are a tremendous blessing to our church family. We appreciate so much the years of faithful ministry to college students in Plainview. Greg's last day as Minister to University Students is Sunday, May 6th.

For those who serve with Bro. Greg, you will know his willingness to care for other ministry needs among the church family. Over 30 years of ministry experience combined with leadership opportunities during interim pastorates has uniquely prepared him for the new assignment of Connections Pastor.

Greg as our Connections Pastor will perform many important duties. This new position will provide a second set of eyes to survey ministry opportunities from the newest baby to the member approaching the century mark. He will develop and maintain ways of connecting with the unchurched in Plainview and new guests to FBC. Greg will also find ways to connect church members to Bible study groups, small groups, and ministry opportunities. He will also oversee ministry to hospitals and nursing homes.

Our Connections Pastor will encourage us all to connect to neighbors in our community. He will also help us forge stronger ties among our church family.

Our ministry to university students is a major priority. The Personnel Committee and I have started a search for an interim minister and a permanent minister. We trust the Lord for His provision and pray for the Spirit's leadership.
