APPS that you should download for this Summer!

HoneyWord offers some short and easy devotions you can do as a family. It also presents a method of memorizing scripture with object association for each devotion. This is great if you get into a pinch and need a devotion you can share. **Cost is FREE**

The **Christian Standard Bible (CSB)** is replacing the Holman Christian Standard Bible. You can get this Bible app free. This is also the version of the Bible that our Sunday School literature uses. **Cost is FREE**

Lifeway's Galactic Starveyors app helps kids and families get a jump start on the VBS experience as well as keep it going after VBS. It's filled with exciting games, choreography videos, Bible stories, devotions, and fun ideas for families to do together! **Cost is \$2.99**

VBS Motto

**Searching for the Visible
Discovering the Invisible**

AWANA Parent's Night is Wednesday, September 6th from 6:00PM to 7:00PM. Join us for a **Free Family Meal at 5:00PM** in the Lower Auditorium.

Parents, this is the night when you can see what **AWANA** is all about and get the AWANA Handbook as well as your child's starting book.
